

Change in Summer Plans!

LTCT has made the decision to change up our initial summer plans and take the opportunity to team up to offer the very first Great Lakes Shorts Festival!

The Festival will take place over the weekend of July 26th
More Information to come! We will be in need of anywhere between 3 to 24 actors depending on how many shorts actors will like to be involved in. The festival will take the eight best 10 minute shorts submitted from national and regional playwrights and present them in a unique 80 minute show.

A call for actors will be put out once submission closes. This is a great opportunity for anyone looking to get involved in a small role by only doing 1 or 2 of the shorts or someone who really wants to flex their acting muscles by taking on a role in many of the shorts.

Audiences will vote on their favorite shorts to name the winner of the festival!

We will unfortunately not be able to continue with our plans for *Biloxi Blues* this summer due to the festival but North Star, our committee for non-traditional theatre will also be putting on a black box style production of *The Pillowman* August 1st-4th

Warning *The Pillowman* Contains Mature Content - Recommended for 16+ due to disturbing subject matter, graphic descriptions of violence, murder, & adult language.

exemplary service to LTCT over a number of years. The reason this most prestigious award is referred to as the PIG award is from a quote by John Mack Carter, a famous magazine publisher.

He said: "Take the matter of ham and eggs. The chicken makes a contribution but the pig makes a commitment." Therefore, a PIG award goes to an individual who has worked in many areas of LTCT, has given countless hours of time and energy, and has done so continuously, over the course of LTCT history.

And the chickens are not forgotten either. One or more individuals who have demonstrated outstanding service to LTCT during the past season are presented with a Golden Egg award. EGGS have shown commitment to one or more seasons of LTCT, helping in a variety of roles and being a volunteer and LTCT supporter above and beyond the occasional helper.

Volunteers Needed

Dale Mazzoline has generously donated to LTCT theatre lights and two projector screens. We are in need of volunteers over the Weekend of June 8th to ready the barn for the lights and screens by reorganizing and building the storage area. Then on Saturday June 15th to load the lights & screen from where they are at into a moving truck and then unload and store them at our barn. Please consider lending LTCT some time and muscle.

If you happen to see Dale, please give him a big thank you!
